Dear Parents/Guardian,

Preliminary Exams will take place from Monday, 3rd April to Wednesday, 5th April, 2017. All senior students have been given a Preliminary Exams timetable and copy of the rules and procedures for these exams. These are also available on the school web site.

Students may attend school all day when the exams are on and a quiet study room will be provided. If students wish to come to school just for their exams, the permission note below must be completed and returned to the front office before the start of exams.

Students are NOT to drive other students to or from school for these exams or be passengers in other student's cars, unless they are siblings. If you have any concerns please contact me

Yours sincerely,

Mr Yvan Chambers
Principal

-----Please return to the School Office-----

I give my child permission to attend school only for the exams during the Preliminary Senior exams (3rd April to 5th April, 2017). I understand I am responsible for them when not at school during normal school times.
