Gryffindor win the 2018 Quidditch Cup Championship

PBL WINNERS

Week 10

Paul Vula
Caroline Hussain
Bradley Callaghan
Ashlee Morris

Congratulations.
Each winner receives
a \$15 Canteen
voucher.

Harry Potter Week

To celebrate the 21st anniversary of Harry Potter and the Philosopher's Stone book release, Hay War Memorial High School became Hogwarts for Week 9.

Last Monday was a fantastic start to Harry Potter week, with fun activities at lunch and recess. We started the week with Ms Bradley having a house sorting quiz and students then had the opportunity to create a patronus watercolour masterpiece.

Tuesday, students had the opportunity to watch some Harry Potter chibi cartoons and make some creative wizard cards. They looked really cool! While they were making their masterpieces they had the chance to watch the Philosopher's Stone.

Wednesday, Miss Hatfield held Harry Potter trivia and muggle chess in the library. It was interesting to see how competitive everyone got!

Thursday, Mr Hefer and Miss Bradley held a witch paper craft lesson that taught students how to make howlers.

Friday was a casual, magic themed dress up day,

students were asked to bring in a gold coin to help pay for the barbeque.

At lunchtime the SRC held a barbeque, which the SRC students helped cook and serve. After everyone ate their sausage sandwiches Ms Bradley hosted the best dressed contest with Gemma Tassell, Hermione Granger, being awarded the winner.

Mr Coleman held round robin series of Quidditch games, with Gryffindor beating Slytherin in a close game to take out the championship.

We would like to thank everyone for donating and dressing up and making magic week happen. Thank you Ms Bradley for helping lead the SRC and for mentoring us. She put in lots of hard work to arrange the events and it was exciting to learn more about Harry Potter.

For so much what, shall we repay?

NAIDOC Week

NAIDOC week will be occurring in the upcoming school holidays. Our school is acknowledging this important event by hosting “Wiradjuri Echoes” who will be at the school on Friday 6 July. Throughout the day Years 7 to 10 students will be given opportunities to undertake workshops in Aboriginal dance, boomerang throwing and art.

The school will also be providing a free lunch for all students, staff and visitors, incorporating kangaroo meat.

Years 7 to 12 students will also be participating in other activities on Friday 6 July to acknowledge positive behaviour.

Aurora College

Students in rural and remote government schools may apply for vacant positions in Years 8, 9 and 10 at Aurora College, the NSW Department of Education’s virtual selective school (www.aurora.nsw.edu.au).

Aurora College is a NSW Virtual Selective High School, providing students in rural and remote areas the chance to study specialist subjects using the latest technology. Students get to stay in their community and study specialist subjects at their home school.

Applications for enrolment in Years 8 to 10 (2019) opened 22 June 2018 and close 27 July 2018.

Please refer to the above link provided for the enrolment application.

A submitted application must include:

- a completed application form
- copies of school reports (Semester 1 from the current year and Semester 2 from the previous year)
- results in academic competitions (eg Australian Mathematics Competition)
- evidence of performance in literacy and numeracy (eg NAPLAN results).
-

Applications should be forwarded to:

The Principal, Aurora College
c/- Mowbray Public School
635 Mowbray Road
Lane Cove North NSW 2066

Stage 5 Debating

Our Stage 5 debating team played a very tough round against Barham High last week via video conference. With veterans Gemma as second speaker and Olivia as third they welcomed reserve Charlee as the team

advisor and our new recruit Delilah into the team as first speaker. Asha and Emma were both on the bench for medical reasons.

The toss meant Hay argued the negative for the topic “That voting should be voluntary” and they structured a really strong case with excellent, well supported arguments. All girls spoke effectively and convincingly.

Unfortunately, in a very close debate, the Arts Unit adjudicator on the day awarded the debate to Barham.

Well done to all for an amazing effort.

ML Gardam Debating coordinator.

Planning Day

On Thursday 21st July SRC held their first official meeting day where they inducted the official roles of an SRC. Inducted were Gemma Tassell as our chairperson and Charly Moorhouse as vice chairperson. Joseph Wilson was elected treasurer, Lily Masters elected as secretary and Emma Johnston and Hannah Shae as publicity officers.

We participated in group building skill games and learnt more about each other. We discussed new ideas for fundraisers and PBL rewards with Miss Hatfield helping with ideas. After this, we walked to the convent and had lunch, and used Mr Caughey’s rule of no phones during meals.

We learnt some interesting things about each other and had a great time. We then walked back to school and brainstormed ideas for socials, fundraisers and charities.

We would like to thank Ms Bradley for teaching us all these valuable life skills and we hope every student looks forward to an interesting year involved with the SRC.

By Emma Johnston and Hannah Shea

Sport

On Tuesday 2nd July 20 students from HWMHS travelled across to Deniliquin to compete in the Zone Athletics carnival. There were a number of students competing for the day from Deniliquin, Tooleybuc, Balranald and Barham, Finley and of course Hay.

The bus arrived in good time Tuesday morning after a foggy trip, although the weather ended up being ideal for an athletics carnival. The day was well organised and most students competed in at least two events with many tasting success. The efforts of all students were fantastic and their overall behaviour was exceptional.

Towards the end of the day when relays were announced, some of the students got together and decided to organise the Hay relay teams. The leadership demonstrated was to be commended, as was the effort by Hay in the relays. As a school, our participation was strong and our students really showcased our school values through their attitudes at the carnival.

Congratulations to the following students who have qualified for the Regional Carnival which will be held next term: Jayke Meldrum Ward, Jack Headon, Hugh Crighton, Hannah Stewart, Darci Masters, Alex Hussain, Charlee Masters, Paul Vula, Janae Winzar, Lily Masters,

Lainey Biggs, Kate Pingiaro and Lote Clark.

Riverina Tennis Trials

Last Friday the 29th of June, Kenny Hargraves travelled across to Wagga to compete in Riverina Tennis Trials. Kenny, alongside many other boys, from parts of the Riverina, competed to be selected for the Open Boys Riverina side. Of the many people that trialled, Kenny was one of 9 players to be selected. Throughout the day, boys were split into 3 pools and had to play against other high quality components to showcase their talents. To be selected, the boys had to demonstrate positive sporting attitudes and a high standard of skill in tennis.

Being selected by the Riverina side means Kenny will play State tennis in Inverelle in September against many other teams throughout NSW. He will represent the Riverina team alongside 8 other boys who will play a high level of tennis over 3 days, comprising of singles and doubles games. At this level there is opportunity for participants to be selected for a NSW state team.

Well done Kenny on such an excellent achievement. Good luck in September!

Year 9 Science

Year 9 Science recently had the opportunity to dissect hearts and kidneys with Mr Mackintosh. This lesson received a thumbs up from students.

From the Principal

A great start to the Year 6 STEM after school program. STEM is based on the idea of educating students in four specific disciplines — science, technology, engineering and mathematics.

STEM is important because it is in every part of our lives. Science is everywhere in the world around us.

Technology is continuously expanding into every aspect of our lives. Engineering is the basic designs of roads and bridges, but also tackles the challenges of changing global weather and environmentally friendly changes to our home. Mathematics is in every occupation, every activity we do in our lives. By exposing students to STEM and giving them opportunities to explore STEM-related concepts, they will develop a passion for it and hopefully pursue a job in a STEM field.

We look forward to inviting Year 6 back next term after school. We will send an information note to the schools to let you know when the afternoon program will be available.

This has been another busy term at our school especially in learning, sporting and extra curricular activities.

Our School Plan continues to support our teaching staff to make a commitment to provide opportunities and create learning environments for students to pursue excellence.

At our core we are characterised by our school values of respect, achieve and responsible which determine the culture in which our school community exists. This provides an environment where students can flourish and achieve their goals.

At Hay War Memorial High School, education is not just learning facts and figures; it is about understanding that the journey is more important than the destination. It is about continuously improving the entire person, not just their knowledge, but also their attitudes and behaviours so they become productive members of our community.

I would like to thank our school community for their investment in our school and commitment to ensuring our focus is on student wellbeing, the learning journey and the pursuit of excellence.

We look forward to seeing everyone in Term 3 undertaking more learning, sporting and extra curricular activities.

Mr Y Chambers

Principal

For so much what shall we repay?

Meet Our Staff

Mrs Lilianna Aylett - Mathematics/TAS Head Teacher

What are your main commitments at HWMHS?

I am very passionate about teaching Mathematics and I am committed to developing lessons to best help the students learn in this subject. I try to provide them with engaging lessons and give them different strategies when learning concepts to help them to learn and achieve in this area.

What has helped you improve your learning most and why?

My learning improved through the support of Jim Mather, who was a principal for many years at HWMHS in my early years of teaching. He always had the best interest for his staff's welfare and he saw the potential that I had to further my career path in this profession. He was the reason why I became a Head Teacher and I do not regret this decision.

What has been your most memorable moment so far at HWMHS?

My most memorable moment at HWMHS was the day my son, Blake, was selected to be the school captain in 2010. I also treasure the day that my three children completed their secondary education at HWMHS. Their last day was very emotional and I will always store these moments in my memory.

Meet Our Students

Michael Dunn - Year 12

What is your favourite subject at HWMHS and why?

Business studies is my favourite subject. It is fun and Miss Hatfield is a good teacher. Everyone in the class are good friends and nice to each other.

What has been your most memorable moment at HWMHS so far?

My most memorable moment so far was when Mr Honan showed us his army gear and ran us through some of the army drills.

Where do you see yourself in ten years?

In ten years I hope to be finished studying accounting at university and working in an accounting firm.

HWMHS Canteen Menu

LUNCH		SNACKS		DRINKS	
Salad Box with Chicken Strips	\$6.50	Biscuits	\$1.50	Water	\$2.00
Salad Roll	\$6.00	Muffins	\$2.00	Juice Box	\$1.50

Careers News

A Griffith employer is keen to hire an apprentice in Air Conditioning & Refrigeration Apprenticeship. The successful applicant will be trained in all aspects of this trade. Theory training will be at Wagga Wagga TAFE.

Applicants must be reliable, well presented, have good attitude, a driver's licence or Ps, eager to learn and able to work as part of a team.

If a year 12 student is successful the employer is happy to wait to hire Year 12 students after they finish their exams this year.

Interested applicants should call Clayton Moore on 0427 783 395 and make an appointment to have an interview.

Re: Share Our Schools Pilot Program

Dear Neighbour,

Schools are the heart of our communities and already offer a range of quality recreational and play facilities.

Over the coming school holidays, the NSW Department of Education is trialling a program at around 120 schools across the state which will open up school playgrounds, ovals and sports fields for the whole community to enjoy.

Hay War Memorial High School will be participating in the program during these school holidays. Only the school oval and basketball court will be open during these periods and times:

Dates	Time
9 July - 20 July 2018	8am - 5pm
1 Oct 2018 - 12 Oct 2018	8am - 5pm
24 Dec 2018 - 25 Jan 2019	8am - 6pm

These areas will not be available outside of these hours during the school holidays.

As always, if you need to report a security issue at the school, you can call security 24 hours on 1300 88 00 21. For more information on this initiative, please visit schoolinfrastructure.nsw.gov.au or contact us on 1300 679 332.

We hope you have an enjoyable break, and invite you to use these play areas during the school these holidays.

Mr Y Chambers
Principal
Hay War Memorial High School
