All Welcome**

Congratulations, 2018 RFS Cadets

Welcome back!

Students returned to school this week. Our Year 11 students and Year 12 students have been preparing for their HSC Exams and/or exploring work options for beyond school. The HSC exams for Year 11 and Year 12 kicked off today with Standard English (Paper 1). The 2018 HSC Exam timetable can be found on the link below:

A reminder from NESA:

Preparing for your exams

When preparing for your exams, find out what to expect in the exam room and the exam paper, including where to write your answers. For each course you are studying, know the rules and requirements and what to expect in each exam.

A busy term lies ahead if we're to be ready for Santa's arrival on the 25 December!

Year 12 Farewell

Year 12 continued the tradition of exiting the school in a memorable-for-all-the-right-reasons way at the conclusion of last term.

Their end of school activities – volunteering at Hay Days, the staff vs. student volleyball game, the school social

and their final graduation assembly and farewell dinner on their last Thursday in Term 3 were all well attended and successful.

The Year 12 end of school activities and the achievements of our Year 12's throughout the year set Hay War Memorial High apart from all the rest.

2018 Rural Fire Cadets - Principal Speech

A graduation ceremony is always such a special occasion – it is the culmination of hard work and the acknowledgement of successes achieved. So, it is only fitting that today we acknowledge the road our students in the Rural Fire Cadet program have travelled together over these last few months.

It has been a journey that started with small steps perhaps, but one that has taken them to remarkable achievements. They have encountered some trials and tribulations along the way but they soldiered on and came out the stronger. They have experienced great moments together and created memories that will be fondly remembered.

Henry Ford wisely said, "Coming together is a beginning; keeping together is progress and working together is success." As we look back over the last few months, certainly there was a beginning, and thankfully there was also progress and yes - undeniably our students in the cadets program have been successful!

The end result of our students as cadets coming together, keeping together and working together, in spite of the obstacles that they may have faced along the way is today; our students are the Rural Fire Cadets from HWMHS of 2018. Congratulations to them all. You are ready, willing and more than able to grasp a fire hose and work with a team of people.

May you consider volunteering one day for the Rural Fire Service.

May you continue to work as a team as you continue at school.

We thank you and it has been an honour and a privilege to have the Rural Fire Service provide our students with this wonderful opportunity.

2019 Debutante Ball

Thank you to the young ladies who have already expressed their interest to participate in the Hay Services Club Debutante Ball, Saturday April 27th, 2019. This is a final call for any further expressions of interest before planning commences.

Debutantes must be age 16 or older on 27th April 2019. Partners should preferably be of school age, however partners up to the age of 19 years will be allowed.

Debutantes and their partners will participate in a wonderful journey commencing with dance lessons starting 5:45pm Monday 4th Feb 2019 and every Monday thereafter, including school holidays. It is compulsory that both debutantes and their partners attend these lessons.

If you would like to be considered for this amazing experience, please register your name via call/text to Kerry Barnes 0427 933 405

Letters of place confirmation will be sent out as soon as possible.

Would you like to help?

We are also looking for any parents/carers who would like to become involved with the planning and preparation of future Debutante Balls. You don't need to have a child participating to be involved. It's a very rewarding experience and we would love to have more people on board. Please feel free to contact Kerry Barnes 0427 933 405 with any enquiries.

Careers News Week 1, Term 4 Year 10 Work Experience

All Year 10 students will undertake work experience in Week 4 this term – 5 to 9 November. It is up to the student to approach a potential host employer. If they agree to host them, the employer then completes the required Student Placement Record form and parents read and sign it before returning it to Ms McNally. All students were provided with a copy of this form and also the Employers and Parents information booklets. Students have also been sent these electronically through their school email. If students are having difficulty finding a suitable host employer for work experience they must speak to Ms McNally at the start of next week. All paper work needs to be finalised by the end of Week 2. Students will be undertaking preparation for work experience lessons next week.

Aurora College

The virtual selective school for rural and remote students

Aurora College is NSW's first virtual selective school, offering a mix of online and residential school classes. The school provides innovative, flexible learning in a whole new context, by allowing students to connect locally and learn globally.

Aurora offers selective classes in English, mathematics and science to gifted and talented Year 7-10 students from rural and remote areas across NSW. Students connect with their teachers and classmates in timetabled lessons through a virtual learning environment.

The college also gives Year 11 and 12 students the opportunity to study subjects not available in their own school. For details please visit our website.

Aurora College offers students expanded career options through innovative partnerships with businesses and with scientific, cultural and tertiary education institutions.

Students in the selective stream are chosen in the same way as students in all other selective classes in NSW government schools.

Applications for entry into Year 7 in 2020:
Open 9th October 2018
Close 12th November 2018
