School Uniform

Students should be wearing the correct summer uniform including black leather school shoes. Students who are out of uniform should bring a note to their Year Head Teacher.

The girls' dress pants and dress shorts will be changing colour from 2019. This will be the only change in our school uniform at present. The colour will change from chocolate brown to black. Please remember that this change will be phased in over the next 3 years. Girls may still wear their current chocolate brown dress pants and shorts for the next 3 years or their black dress pants and shorts. For families who buy locally, Murphy's store will take orders for the black dress pants and shorts.

Remembrance Day

A century has passed since the Armistice that ended World War 1 - "The war to end all wars." Since then, conflicts have continued to rage around the world, but we still hope for peace.

Remembrance Day in Australia commemorates the sacrifices of armed forces and civilians during times of war. At the 11th hour of the 11th day of the 11th month, one minute of silence is observed across the country to mark the cessation of hostilities on the Western front during World War 1 after over four years of warfare.

Unlike ANZAC Day, Remembrance Day is not a public holiday in Australia but a service will be held at 11am on Sunday 11 November at the Hay cenotaph, next to the Hay library. If you are at the cenotaph or wherever you are, please pause for a moment to remember those who gave their lives to ensure that the things we hold dear as Australians will endure for future generations.

Each year on Remembrance Day I remember one of my relatives who served in the defence force and spend time learning about their experiences. This year I will be thinking and reading about Honorary Lieutenant Harold Power who was an official Australian war artist during World War 1. I'm sure many people have a member of their family or an interest in a person, who has or is serving, to reflect upon and learn about on this day.

Lest we forget

WANTED

At HWMHS, we have an exciting new course, Farm Maintenance, on offer for our students.

You can help assist this subject and watch it succeed by donating any old engines, such as old lawnmowers, motorbikes or chainsaws. Any condition will be accepted.

Please contact the front office on 6993 1408.

Lifesaving Program - Year 7

Students have received notes regarding our Lifesaving

Program. The program will be held periods 5 & 6 Wednesday Weeks 6,7,8 and Tuesday periods 5 and 6 in Week 9.

The program will start on **Wednesday 21 November** and continue on consecutive Wednesdays, except for the last week. Lifesaving will conclude on **Tuesday 11 December**. This will require attendance at the Hay Swimming Pool between 1.15pm and 3.10pm. Your child's swimming ability will be assessed and he/she will attempt an appropriate award from RLSSA. Students who don't return notes or forget their swimmers will be required to remain at school to do swimming theory work.

Students will leave school during lunch under the direction of staff members. Bus travellers will have time to walk back to school and students that live in town can walk directly home from the pool. If students wish to remain at the pool after 3.10pm, they must have a signed permission note from parents/guardians. Students will be permitted to wear casual clothing for Life Saving, but they must wear sports uniform for Periods 1-4 at school.

The intensive course will also cover basic First Aid, Learn to Swim, Resuscitation and important Life Saving Skills. Given the number of deaths in Australia due to drowning and the number of Hay children who swim in the river, we hope that this course will be something that will make children think before they act in regard to water safety and that they will develop the basic skills to help them in a possible emergency situation.

Students will need to pay \$3 to cover the cost of booklets and resources. If students wish to purchase their Lifesaving Award they will need to bring in the following amount by Friday 14 December 2018.

- Swim and Survive \$5.50
- Senior Swim and Survive \$5.50
- Bronze Star \$11.00

For more information please contact Leonie Booth at the High School.

Please return permission notes and \$3 by Friday 16 November.

Aurora College

The virtual selective school for rural and remote students

Aurora College is NSW's first virtual selective school, offering a mix of online and residential school classes. The school provides innovative, flexible learning in a whole new context, by allowing students to connect locally and learn globally.

Aurora offers selective classes in English, mathematics and science to gifted and talented Year 7-10 students from rural and remote areas across NSW. Students connect with their teachers and classmates in timetabled lessons through a virtual learning environment.

The college also gives Year 11 and 12 students the opportunity to study subjects not available in their own school. For details please visit our website.

Aurora College offers students expanded career options through innovative partnerships with businesses and with scientific, cultural and tertiary education institutions.

Students in the selective stream are chosen in the same way as students in all other selective classes in NSW government schools.

Applications for entry into Year 7 in 2020:
Open 9th October 2018
