2018 9/10 Surf Excursion - Kiama

Youth Aware Mental Health (YAM)

Over the previous three weeks we've had the NSW Department of Education YAM Implementation team working with our year 9 students.

I will share a really positive feedback comment from the team.

"The Youth Aware of Mental Health Implementation (YAM) Team would like to thank yourself, the staff at Hay War Memorial HS and your year 9 students for their active participation in the YAM program over the past 3 weeks. The students engaged well in the program, contributed ideas to discussions and listened to each other in a respectful manner."

The success of this program demonstrated the respectful and responsible capability of our students.

We look forward to the team returning in 2019.

School Uniform

Students should be wearing the correct summer uniform including black leather school shoes. Students who are out of uniform should bring a note to their Year Head Teacher.

The girls' dress pants and dress shorts will be changing

colour from 2019. This will be the only change in our school uniform at present. The colour will change from chocolate brown to black. Please remember that this change will be phased in over the next 3 years. Girls may still wear their current chocolate brown dress pants and shorts for the next 3 years or their black dress pants and shorts. For families who buy locally, Murphy's store will take orders for the black dress pants and shorts.

Canteen Ordering Raffle

Congratulations

Jayde Shea

Angus Gardiner

You have won a \$15 Canteen voucher for ordering your lunch before 9am

Book Packs - New Academic Year

Book packs are available from The Hay Newsagency for Year 8, Year 9 and Year 10 students. Please ensure your child is ready for the new academic year starting on Monday 19 November 2018.

WANTED

At HWMHS, we have an exciting new course, Farm Maintenance, on offer for our students.

You can help assist this subject and watch it succeed by donating any old engines, such as old lawnmowers, motorbikes or chainsaws. Any condition will be accepted.

Please contact the front office on 6993 1408.

Year 7 Mathematics

It has come to my attention that many of the year 7 students are not bringing the necessary equipment required to do their lessons in Mathematics. This includes work book, pens, pencils, ruler and a calculator.

Student's progress is hindered if they don't have these items in class. Their work book provides students with a record of the work that they have completed in class and it will assist them in their preparation for an assessment task. The calculator is a valuable tool that is used in the class room to help them with some of the calculations. Instruction is given in lessons on the use of the calculator in conjunction with the topics they are studying.

In the past 6 months I have provided students with some of this equipment to help them to get on with their learning. However, my supplies are depleted and will not be topped up.

Before students rollover into the next academic year in Week 6, I would like to see them get themselves organised with the equipment mentioned above so they will start their lessons in Mathematics on a positive note.

Mrs L. Aylett

Head Teacher Mathematics.

New Bell Times from Term 4 Week 6 (Monday 19 November 2018)

As we draw closer to the new academic year – Term 4, Week 6 – we are planning some variations in the bell times.

There will be no reduction for time devoted to each subject. The school will continue to have a 6 period day with 50 minutes for each period.

Below is a copy of the **new bell times from Term 4, Week 6 (Monday 19th November 2018):**

| | Duration (mins) | Start time | End time |
|-------------------------|-----------------|------------|----------|
| Period 1 | 50 | 8:55am | 9:45am |
| Period 2 | 50 | 9:45am | 10:35am |
| Recess | 40 | 10:35am | 11:15am |
| Morning Messages | 5 | 11:15am | 11:20am |
| Period 3 | 50 | 11:20am | 12:10pm |
| Period 4 | 50 | 12:10pm | 1:00pm |
| Lunch | 30 | 1:00pm | 1:30pm |
| Period 5 | 50 | 1:30pm | 2:20pm |
| Period 6 | 50 | 2:20pm | 3:10pm |

Surf Excursion 2018

For so much what shall we repay?

9/10 PASS Surf Excursion

On Sunday 29 October the Year 9 /10 PASS class headed off on the surf excursion to Kiama. After 8 long hours of terrible music, we arrived in one piece, dumped our luggage at our accommodation in Gerringong and set off to the rock pools in Kiama. After many broken thongs, we decided to check out the Kiama blowhole and head to a scenic park, not far from the beach where we enjoyed pizza.

By 8am Monday morning we were all ready for our first surf lesson dressed in our wet suits, (gnarly). After two enjoyable hours and many failed attempts at standing up, lots of face plants and a few successes, we tried our luck at canoeing. Within the first 5 minutes, this proved much harder than surfing with Hugh and Angus managing to capsize their canoe and Zoe and Daisy having to partner off with the professionals to ensure their safety. Others relied on their partners to pull the weight.

On arrival at the accommodation, we had an uphill hike to a closed gelato store, leaving most of us disappointed. This sparked an idea to walk even further to a service station to buy sunnies, paddle pops and thongs.

Day 3 proved how tiring surfing really was. With the excitement of yet another lesson, we soldiered on. With the practice from the day before, many managed to stand up. Tuesday's waves slammed everyone with their strength, leaving an exhausted crew. After washing off the salt, we set off on yet another adventure to Shell Harbour for a much needed lunch and a few minutes shopping. Spending way too much money was easily achieved and then forgotten by the time we arrived at footgolf. The two PE teachers surprisingly tied and got the best score of the day; however, many made tough competition. After three long days it was decided a quiet night in with Chinese and a movie was the best way to spend the evening.

Wednesday, our last day, called for some extreme fun. Visiting the highest zipline attraction in Australia made some realise how scary heights are with a few not being able to complete the course. After the sweat and tears, we eagerly jumped on the bus, ready to come home.

A big thank you Mr Coleman and Miss Comb who made this excursion enjoyable, memorable and one we will never forget, and for putting up with the less than desirable music.

Written by Zoe and Asha.

Design And Technology - 3D Printing

Year 7 and 8 students have been busy designing and 3D printing their own USB's.

Year 7 have produced many different and unique USB's, such as airplanes, rockets, tankers, cars and more.

Year 8 Design and Technology class have designed and 3D printed the case for a mini boom box. The students were then able to install the basic electronics.

GRIFFITH AFL COMMUNITY DAY

Optional Survey — Can You Help?

The AFL and Deakin University are conducting research to inform the development of a 2019 NAB AFL Auskick program for Aboriginal and Torres Strait Islander children living with and without a disability.

We are seeking voluntary participation via a short survey from the Griffith Aboriginal and Torres Strait Islander community who attend the AFL Community Day.

You are free to choose to participate or not and your decision has no bearing on your attendance & participation in the AFL Community Day.

*This study has received Deakin University ethics approval:
reference number 2017-300*

Funded by the National Disability Insurance Agency

You are invited to:

GRIFFITH AFL COMMUNITY DAY

What is it?

For Aboriginal and Torres Strait Islander children to watch and try out NAB AFL Auskick. Children with developmental challenges are encouraged to attend.

Bring your friends & family!

- AFL Player visit
(Jeff Garlett - Melbourne Demons)
- AFL Skills, Games & Activities
- Free BBQ provided
- Goodie bags
- Traditional Indigenous Games

Free event - come along!

Date: Saturday 17th of November, 11.30am to 1.30pm
Registration between 11am & 11.30am

Location: West End Sports Stadium 14 Merrowie St,
Griffith NSW 2680

Aurora College
The virtual selective school for rural and remote students
Aurora College is NSW's first virtual selective school, offering a mix of online and residential school classes. The school provides innovative, flexible learning in a whole new context, by allowing students to connect locally and learn globally.
Aurora offers selective classes in English, mathematics and science to gifted and talented Year 7-10 students from rural and remote areas across NSW. Students connect with their teachers and classmates in timetabled lessons through a virtual learning environment.
The college also gives Year 11 and 12 students the opportunity to study subjects not available in their own school. For details please visit our website.
Aurora College offers students expanded career options through innovative partnerships with businesses and with scientific, cultural and tertiary education institutions.
Students in the selective stream are chosen in the same way as students in all other selective classes in NSW government schools.
AURORA COLLEGE
IGNITING NEW WAYS OF LEARNING
NSW Education Public Schools
Applications for entry into Year 7 in 2020:
Open 9th October 2018
Close 12th November 2018
