2019 Proud and Deadly Awards

The Proud and Deadly awards acknowledge the achievements of our students of aboriginal descent in the education environment. These students from Hay War Memorial High School were recognised in the following areas.

Academic – students that have demonstrated excellence in any curriculum area and NAPLAN. They have also displayed a positive attitude to school and a commitment to further their education.

Emma Johnston, Indyanna Wilson and Jasmyn Sowman

Dedication to Learning – students that have demonstrated excellent attendance, progress in learning, consistent effort and a positive attitude

Sean Johnston

Student Leadership – students that have demonstrated exceptional skills in promoting, encouraging and supporting student participation across their skills and community.

Joseph Wilson and Taylor Johnston

Year 12 completion – students that have successfully met the requirements of NESA.

Harley Curtis and Tyron Morris

Emma and Sean travelled to Deniliquin with Ms Booth and Mrs Butler last Wednesday to receive their awards. The other students will be presented with their awards at the school formal assembly in week 5.

New academic year

Book packs are now available from the Hay newsagency for the start of the new academic year which begins in week 6 this term.

Canteen voucher

Jessie-Joe Learmonth

Formal assembly

Thursday
November 14
9:45 start

All welcome to attend

OUR
SCHOOL

Restorative Practices

As part of our teacher's ongoing professional learning with restorative practices, we are now practicing restorative circles at our staff meetings. Teachers are building up their skills so they can effectively implement the circles.

Restorative circles have two main goals for students, teachers, parents, staff and community: building a peaceful community in the school and responding through positive dialogue. As a result, people feel that they are seen, heard and respected.

Día de los Muertos

This term in Visual Arts, Year 8 have been studying the traditional Mexican celebration, Día de los Muertos. During the festivities, family and friends gather to remember those who have passed away. It is not a day of sadness, but rather, a colourful commemoration abundant with traditional foods, the distinctive marigold flower, and skulls.

In anticipation of this cultural holiday at the beginning of November, students have been designing their own calavera (skulls) with reference to traditional Mexican calavera decoration. In the art room, both Year 8 classes constructed their own ofrenda, or altar, in memory of famous Mexican artist, Frida Kahlo. On Friday 1 November, students made their own sugar skull cookies, a common symbol of this celebration.

NSW Department of Education Virtual Selective High School

Last week four of our students enrolled in the NSW Department of Education's Virtual Selective High School, Aurora College attended the week long residential camp in Sydney.

James Kelson was awarded his "Galaxy" medal and a Certificate of Distinction for the National Computer Science Schools Competition and Distinction Certificate for the Australian National Chemistry Quiz. Bailey Caughey was also awarded with his Galaxy medal.

Careers with Ms McNally

Year 10 Work Experience

Year 10 students are on work experience this week, 4 - 8 November. There are some students who have organised two weeks of work experience and are not at school this week nor were they last week.

Next week when Year 10 return to school for their last week of Year 10 they will for some lessons be completing activities in preparation for Year 11. This week students will also write thank-you letters to their work experience host employers.

Year 9 CSU Future Moves Excursion

On Thursday six Year 9 students took up the opportunity to attend CSU for a day to find out more about study at uni and what the CSU campus looks like. The students found out specific information in workshops on physics, psychology and drama/performance and about these courses and careers in these fields. The presenters also spoke about related courses. The career opportunities are important for students to attend as they might find out about a course or career they are interested or have limited knowledge in. They also provide information and experiences that enable them to make an informed decision about a career they may not be interested in.

Women in STEM and Inspiration Day, Griffith

Regional Development Australia is showcasing STEM careers in an activities day at Griffith Regional Theatre on Tuesday, 12 November (Week 5). Any girls in Years 7 to 12 can attend. The focus are careers in the Agri-Tech industries, including the variety of careers available, career pathways and education and training. There is a panel of local women who work in STEM careers talking about their careers. Girls attending will also be given a SPLAT drawing tool and have a lesson on how to use it. The excursion is free to attend as Regional Development is paying for the day and for the cost of transport. Local food companies are providing morning tea. Students need to bring a water bottle and money for lunch. The bus will leave at 7:20am and return about 3pm.

ATARs for 9 Health Professions in Australia

It's that time of year when My Health Career has published ATAR information for a range of health professions for every course in Australia. Go to the site below to find ATARs for dentistry, dietetics, exercise physiology, exercise science, medicine, midwifery, nursing, optometry and occupational therapy. Students can also subscribe for free for the latest updates.
