Remembrance Day

Monday 11 November is Remembrance Day. At 11am, people stop for a minute and reflect on the sacrifices of Australia's military personnel and their families.

BBQ area

I am very pleased to announce that the upgraded BBQ area in the playground is fully operational. It's a wonderful upgraded structure with modern tables.

The Hay Joey Scouts had the pleasure on the weekend in using the BBQ.

The BBQ area will also provide an additional place for students to not only shelter from the rain, but also from the heat and harmful UV rays.

Beyond the Bell program

Our new robotic resource kits have arrived and they have been a big hit with the students who attend the Beyond the Bell program. These kits come from the Woolworths Earn & Learn program. These kits have certainly expanded the amount of resources the students use.

Every Thursday after school (during the school term) Mr Hefer and Mrs Slattery run the Beyond the Bell program for students at the primary and high schools.

New academic year

Book packs are now available from the Hay newsagency for the start of the new academic year which begins in week 6 this term.

OUR
SCHOOL

...continued from page 1 ...

At the high school we apply Project Based Learning in the Beyond the Bell program. This is a teaching method in which students gain knowledge and skills by working for an extended period of time to investigate and respond to an authentic, engaging and complex question, problem, or challenge.

Robotics and other problem solving activities have been a great way to challenge our students and we will continue to this program in 2020.

VIVO

Our online rewards system has been motivating students to demonstrate the school values of Respect, Achieve and Responsible.

Students have been redeeming their Vivos for a variety of rewards from our Vivo shop.

Bradley Callaghan and Lily Masters with their Lego purchase from their Vivo rewards points.

2020 Hay Services Club Debutante Ball

Expressions of interest are now being accepted for the Hay Services Club Debutante Ball to be held Saturday, May 9 2020.

Debutantes and their partners will participate in a wonderful journey commencing with dance lessons starting 5:45pm Monday, February 10 2020 and every Monday thereafter, including school holidays. It is compulsory that both debutantes and their partners attend these lessons.

Debutantes must be age 16 or older by May 9 2020. Partners should preferably be of school age, however partners up to 19 years of age will be allowed.

If you would like to be considered for this amazing experience, please register your name via call/text to **Kerry Barnes 0427 933 405**

Special thanks again to our wonderful dance instructors, Marilyn and Kevin Walter and Sue and Les Wall. This night would not be possible without their dedication, patience, and dancing expertise.

Confirmation of places will be sent out as soon as possible.

Griffith TAFE YES Program

A number of Year 9 students are participating in the Griffith TAFE YES program throughout this term on a Friday. They are exploring a variety of educational and career options.

At the high school we want to set our students up for success. We strive to give our students the same or similar opportunities as the larger high schools in rural and metropolitan areas.

Thank you to Mrs McNally for arranging this program, Mr Chambers for supporting it and to Miss Comb for supervising and driving the students to Griffith last week. The students will have more TAFE sessions this term and we look forward in learning more about their progress.
