Schools Spectacular

Public primary and high schools across rural NSW were able to nominate students in Years 5 to 8 to attend the Schools Spectacular last Saturday at Sydney Olympic Park.

The high school nominated six students and all of them attended last weekend to watch the Schools Spectacular with over 140 other rural students across NSW. Students also had the opportunity to meet the NSW Education Minister Hon. Sarah Mitchell and Mr Mark Scott, Secretary of the NSW Department of Education.

Thank you to Mr Mackintosh, Ms Roscoe and Miss Fletcher for joining the students and helping supervise other students as well. Thank you also to Ms

Booth, Ms McNally and Mr Chambers for nominating the school and students to participate.

Waradgery magazine

The 2019 Waradgery is currently at the printers and it will arrive before school finishes for 2019.

There's a lot of photos, reports and wonderful memories in this school magazine.

Students who have paid all their school fees in 2019 will receive a free copy (Fees included the voluntary school fee and subject fees per student).

The magazine will also be available for purchase at \$15 each.

Canteen voucher

Tom
Tripney

Continued from page 1

Further notice will be given when the magazine arrives for pick up or purchase.

The school has also subsidised the production and printing of the Waradgery for our school community.

Mr Y Chambers, Principal.

Careers with Ms McNally

HSC and ATAR results

17 December. 6am: HSC results will be delivered to students via email and text. At 1pm students can log onto the UAC website or the My UAC app and get their ATAR.

Note: When you view your ATAR, download and save your official 2019 ATAR Advice Notice, It is FREE until the 29th February, 2020. After that you will need to buy through the UAC Shop at a cost of \$55.

The school does not get sent ATARs. Year 12 students who have just completed their HSC need to supply their official ATAR Advice Notice to Ms McNally to be eligible for a range of scholarships.

Horses for courses - launch of thoroughbred industry explorer cadetship program

Thoroughbred industry careers is inviting those who have a passion for horses or racing to apply for the Explorer Cadetship program - a thoroughbred industry designed and managed 12-month stud/stable horsemanship program. For the first time in Australia, the country's leading stables and stud farms are working together to offer an educational pathway. The Explorer Cadetship program is the ultimate stud and stable educational pathway into the world-leading Australian thoroughbred racing and breeding industry, allowing the next generation to discover all the career possibilities on offer. Don't miss the opportunity of a lifetime. Applications are now open for the February 2020 program <https://tbindustry careers.com.au/>

Apprentices - Additional Identified Skills Shortage payment incentive

The Additional Identified Skills Shortage (AISS) payment is available to eligible apprentices commencing from 1 July 2019 and their employers in occupations experiencing national skills shortages. The AISS payment will grow the number of apprentices and encourage more people to take up an Australian Apprenticeship.

What payments are available?

Eligible Australian apprentices in national skills shortage areas will receive \$1,000 at the 12 month point from commencement of their apprenticeship, and an additional \$1,000 at completion of the apprenticeship. Eligible employers of Australian apprentices will also receive \$2,000 at the 12 month point from the commencement of the apprenticeship and an additional \$2,000 at completion of the apprenticeship.

Animal logic studio work experience

What can I expect if I attend Ready! work experience week at animal logic animation studios

You can expect to learn heaps from some of the most experienced professionals in the industry.

During the week you will tour the Animal Logic Studio, meet and learn from artists, technicians and software developers from the various disciplines within the company and be challenged with hands on activities in our dedicated training space. You will have the opportunity to use industry standard software and see how these skills are applied to tell great stories with amazing visuals.

The date is yet to be determined. However they are most likely to be in the months of June and November.

In Sydney we accept applications from Years 10, 11 and 12. Please note that we cannot accept applications from

Careers continued

Year 12 students for the November week, as they will no longer be covered by their school's insurance. Only 12 students are selected for the Sydney work experience week from the large number of applications we receive. When applying, you will need to tell us what you are interested in and show us examples of any work that you think might be relevant. Examples could include illustration, concept art, paintings, visual effects, short films, animation, game development or coding examples. We recommend that you also provide a web link, Instagram link or digital examples of the material that you have created or helped create, particularly if you are interested in a career as a digital artist. Keep a watch here: <https://www.animallogic.com/learning/ready-set-go/#workexperience>

Summer holiday activities**NIDA – Summer holiday workshops**

Find the right acting course for you. Identify and experience the essentials of screen acting. Build your on screen confidence as you develop skills in improvisation, character development and script work. Rehearse and present live and recorded scenes for family and friends at the end of the course.

JMC academy – information session - film, animation, games, digital, music, sound engineering

11 January

On the day you can take a tour of our facilities, get your hands on some of our serious gear, grab a bite to eat and learn why JMC continues to lead the way in creative industries education. You'll also have a chance to chat with current students and heads of department about studying abroad and industry internships. Don't forget to listen to our student bands and stop by the studios to see and hear live film and audio productions in action.

WALA performance

Careers continued

All registered attendees will receive a copy of the open day schedule by email around one week prior to the event

JMC Character Design Short Course - 20 and 21 January 2020

If you're the type of person who thinks outside the box and wants to discover your creative side and unlock the possibilities of a career in one of the many growing areas in the Creative Industries, then challenge yourself to take this next step. This January school holidays short courses are available for High School students Years 9 - 12 in 2020 or who have just completed Year 12 in 2019.

<https://www.jmccademy.edu.au/events/shortcourses/character-design-short-course>

JMC Recording and mixing a band short course - 20 and 21 January 2020

- Recording console signal flow
 - Microphone selection for specific instruments
 - Setting up instruments in the recording space to achieve the best sound quality
 - Setting up Pro-tools for recording a band
 - Recording a band live and recording overdubs and various takes
- <https://www.jmccademy.edu.au/events/shortcourses/recording-a-band-short-course>

JMC script to screen short course - 20 to 21 January 2020

Experienced industry filmmakers and technicians guide students through a series of practical exercises to conquer the major areas of writing, directing, cinematography, and post production - using JMC's state-of-the-art post-production labs. Learn how to structure, write, break down, and rehearse a short script and to plan a shoot from beginning to end, all the while working with a collective group of like-minds and professional actors. With hands-on experience operating professional cameras and sound, by the end you will not only understand the inside scoop on the inner workings of crew roles and the filmmaking process – but also get to finish a short film.

<https://www.jmccademy.edu.au/events/shortcourses/script-to-screen-short-course>

JMC songwriting + production short course - 20 and 21 January 2020

JMC will be providing the opportunity for songwriters, producers and instrumentalists to work together in small groups and as individuals to write, record and mix an original song. On the last day of the short course the completed songs will be played to a panel of industry professionals who will provide feedback on the final song.
