Murray wins swimming carnival

The school held a very successful swimming carnival last week.

Congratulations to all the houses and especially to Murray house for the win.

Thank you to all the students who swam their very best for their house. Thank you also you to the staff, parents/carers and the Hay community, especially the volunteers, for helping with the carnival and to the Year 12 student for their food preparation and service.

The school sincerely appreciates being able to use the Hay Swimming Club equipment and we are grateful for the Hay Shire Council for allowing us to use the John Houston Memorial Pool, including their personnel. A big thanks also to the Purtill's bus company for accommodating the variation to their bus run.

Student attendance

Attending school every day makes learning easier for your child and helps

to build and maintain friendships with other children. If children miss the basic skills in the early years of school, they often experience difficulties in coping with their schoolwork in later years. You can help your child by getting involved with their learning right from the start and encouraging them to go to school. Must I send my child to school every day? Yes – unless:

- Your child is too sick to go to school
 - Your child has been injured
 - Your child has to go to a special religious ceremony
 - Your child has an infectious illness (such as chicken pox, mumps or measles)
 - There is a serious family situation which requires their involvement.
- Must my child attend sport? Yes. Sport is part of normal school activity which students must attend.

What does my child's school have to do?

- Mark attendance rolls every day
- Request a note of explanation if your

child has been absent

- Inform the relevant contact person if your child is absent
- Make phone calls home to check on your child's wellbeing if your child is absent a lot

What should I do if my child has to stay away from school?

- It is important to let the school know when your child will be away and why your child is absent.
- Please provide a written note explaining the absence or contact the school by telephone.
- Any absence from school needs to be explained within seven days of the absence.

My child won't go to school – what should I do? You should contact your school principal as soon as possible to discuss the problem and ask for help. The principal may ask a Home School Liaison Officer to contact you. Please remember to try to make non-urgent appointments with dentists and doctors before and after school.

Do not keep your child away from school for:

- birthdays
- minding other children
- hair cuts
- shopping.

School Fees

A reminder to all our parents/carers about school fees. School fee letters will be sent home soon. These contributions enhance your child's educational resources and sporting programs at our school.

The school appreciates the contributions it receives from you. If you experience difficulty in paying your school fees please contact Mrs Chris Huntly, School Administrative Manager on 69931408 who will assist you.

Mr Y Chambers, Principal.

Careers with Ms McNally

Each week I provide information about various career opportunities. Most have web links which is where students should explore first. I am very happy to assist students applying for jobs, work experience opportunities and scholarships.

Senior Careers Interviews

Over the coming weeks in Senior Sport/Study lessons, Thursday Periods 5 and 6, I will be conducting individual career interviews with all Year 11 and 12 students to assist in post school planning options. It is imperative that senior students attend these lessons as I will not take them out of their academic subjects to conduct these vital planning interviews.

Where to Study Surveying

Whether it's University or TAFE find all your options on one page here:

<https://www.alifewithoutlimits.com.au/study/where-to-study-nsw/>

Strong Demand for Surveyors

Higher graduate salary and excellent job prospects are just two reasons surveying is a career path secondary students should take note of. According to The Good Education Group, which publishes The Good Careers Guide, surveying has the fourth highest average starting salary at \$60,049 compared with the national average of \$52,840. Graduate surveyors are also among the most likely to be employed straight out of university, with the third highest employment rate at 78%. <https://www.alifewithoutlimits.com.au/increased-demand-for-surveyors/>

Astronomy – Big Event – Save the Day

Apollo 11 50th Anniversary - Open Day at Parkes Observatory

20 and 21 July, end of Term 2 holidays. 585 Telescope Road, Parkes

It was one giant leap for mankind, taken at 12.56pm (AEST) on Monday, 21 July 1969, and recorded by our own Parkes radio telescope along with NASA's Honeysuckle Creek Tracking Station near Canberra.

To commemorate the 50th Anniversary of the Apollo 11 mission, we'll be holding open days at Parkes Observatory to celebrate the telescope's achievements. You are invited to visit the Observatory.

Duke of Edinburgh

Delilah Crighton has completed her Bronze level Duke of Edinburgh award requirements of 3-6 months of a skill, service and physical recreation with two adventurous journeys. Students at the age of fourteen may complete their bronze award and then may progress to the silver and gold award. Completion of the award takes commitment, planning and training. Delilah has committed three months to practicing her cooking skills and volunteering her time to coach F Troop netball. She has committed six months to league tag as her physical recreation activity. Delilah was also part of the canoe expedition group in 2018 who completed overnight journeys along the Murrumbidgee and Kangaroo Rivers. Delilah has prepared herself to achieve these goals and succeeded. Delilah is congratulated for her commitment in achieving this prestigious international award.

PARENT-TEACHER EVENING YEARS 11 - 12

Thursday February 21 2019 5:00pm-7:00pm

There will be a Parent-Teacher Evening to discuss the progress of your child. All interviews will be held in the main building. This evening will be for parents and carers of students in Years 11 – 12 (students are also encouraged to attend). A booking sheet will be sent home via your child this week.

5 questions to ask in parent-teacher interviews/ meetings (shared by Professor Adrian Piccoli)

Here are 5 questions to assist parents/carers at your next interview/meeting with teachers:

1. How has my child's education improved during the year?
2. Where should my child be now?
3. What does my child need to learn next?
4. Is my child engaged in class and enjoying the subject?
5. Is my child happy?
