Safe on Social Media

Last Thursday we had Kirra Pendergast from Safe on Social Media hold a student information session. Kirra presented extremely important details about a range of social media applications, how to protect your information and mitigate risks associated with the use of various apps. I spoke with Kirra at the end of the session and she offered to send us more details, links and fact sheets we can share with our school community. There are new applications that our children are discovering and using all the time. We need to keep up, stay engaged and use the supports that are available to reduce risk of harm to our children.

Upcoming opportunities in 2019

Throughout the year lots of exciting educational activities and excursions will be on offer for our students.

Keep a look out for permission notes and/or the school newsletter if your child has an activity or excursion to:

- Sheep Shows
- Annual Year 8 excursion (the "Year" excursion at our school)
- Snow experiences
- Sporting events
- Careers excursions
- Drama camp
- Music camp
- Life Ready for Yr 11
- School to Work activities
- Vocational Work Placements
- Work Experiences

We like to let our school community know what's happening to assist with their planning.

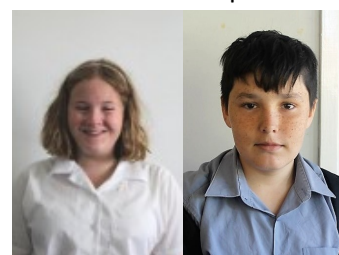

Mr Y Chambers, Principal.
