Hands on High with Years 5 & 6 students

Last week we hosted our Hands on High School night. The evening was designed for Year 5 and 6 students and their families, seeking to experience all of what Hay War Memorial High School has to offer. Everyone attending had wonderful experiences and discovered the excellent facilities and learning our students are provided on a daily basis. After a light supper everyone experienced our 21st century school library, where learning is catered for in such areas as science, technology, engineering and mathematics (STEM).

Mr Y Chambers, Principal

Chess

The school chess team travelled to Deniliquin on Friday to play Deniliquin Christian School. This small school had an impressive chess record with a number of trophies adorning the library. The secondary team were Riverina

champions last year and played at state level.

Not to be intimidated, we started optimistically but were in trouble when the first board fell after ten minutes and the second one not long after. Harley on number one board, battled on for a good half hour before succumbing to some cunning tactical play. Fergus was left and demonstrated superb mental tenacity to outwit his opponent after a ninety minute duel.

Well done team, but more practice needed for 2020.

For so much what shall we repay?
