Term 3—Week 7 Principal: Mr Yvan Chambers BEd (UP/LS), GCertEd, PGCertEdLead, GCertDisSt, MEd (SpecEd) September 2, 2019

2020 leadership nominations

This Friday, September 6 we are looking forward to the speeches of five Year 11 students who have nominated themselves for the student leadership positions of School Captains and Vice School Captains in 2020.

The students will be presenting their speeches to the school from 11:20am in the Spirit of ANZAC Centre. Parents/carers and the community are encouraged to attend.

Whilst only two school captains and two school vice captains are selected, what shines through these nominations is the students pride in their school and their commitment to being representatives of Hay War Memorial High School.

We are very proud of all the nominated students: Katie Arandt, Gemma Tassell, Riley Jackson, Tom Tripney and Charly Moorhouse.

Hay High Ten

Last year saw a revamp of the Hay High Ten which was a very successful event. This year the event will continue as Hay High Ten in Colour.

The Hay High Ten event has been running since 1983 and is a key fundraiser on the calendar year for the school with many

local businesses generously donating to assist the success of the event.

The event will run in accordance to last year starting and finishing at Sandy Point. Participants have the option to participate in a competitive or non competitive manner around the river bends of Sandy Point and Bushy Bend.

This event is open to anyone in the Hay community and all are urged to join in the fun. It will be held this Wednesday 4 September from 1pm.

This year students must wear sunglasses if being splashed with colour. The school has sourced a limited supply of sunglasses for students who don't have a pair.

For students who are asthmatic please wear a scarf or bandana over your mouth and nose when being coloured or avoid the colour stations. Hope to see you all there.

P & C Meeting
Thursday 5 September
5:30pm in the Staff
Common room
All welcome to attend

Battle for Australia Day - Wednesday 4 September

Battle for Australia Day is commemorated every year on the first Wednesday in September, marking the first defeat of Japanese forces during World War 2 in the Battle of Milne Bay, Papua New Guinea.

It recognises all those who served on the home front in Australia, and who fought on land, air and sea in battles in the Coral Sea and New Guinea, including Milne Bay and the Kokoda Track, between 1942 and 1945

Lest we forget.

Stage 5 Premier's Debating team are Zone Champions and into the Riverina final four

In a whirlwind of concentrated and rigorous debate preparation and presentation last week our Stage 5 Premier's Debating team became Zone Champions.

Hannah Shea, Delilah Crighton, Olivia Joyce and Emma Jones debated through video conference against Finley High School on Wednesday then Barham High School on Thursday to become Zone Champions.

Their affirmative case against Finley in the debate that "parents should be able to access equal amounts of paid parental leave" was well structured and very effectively presented for a win. On Thursday Hay had the difficult job of arguing the negative in the debate that "We should ban junk food advertising". Again their experience developed over the last four plus years in the Hay War Memorial High School and Hay Public School debating programs led to an excellent case being developed and confidently delivered to convince the Arts Unit adjudicator of their success. Both adjudicators in Sydney were impressed with our students' presentations.

The team has now progressed to the Riverina semi-final which will be scheduled for later this week against Wagga High School.

We wish the team all the very best in this next challenge and congratulate them on this wonderful achievement.

ML Gardam, Debating coach.

Art news with Ms Bradley

There are lots of fabulous things happening in the Visual Arts classroom, and outside in our local community. Ms Bradley is always looking for opportunities for students so please let our friendly art teacher know what's happening around the town.

Strathmerton Drilling 147th Annual Hay Show 13, 14 and 15 September 2019

The Hay Show allows students to submit a number of creative projects, with both a school submission and the opportunity to submit individual artworks. Students wishing to submit their own artworks are encouraged to submit their artwork by 5pm Wednesday September 11. Students can submit an artwork in categories of drawing, painting, printmaking, sculpture, photography and mixed media. More information can be found in this years annual show booklet.

Country Women's Association of NSW The Jean Martin Memorial Education Grant

This CWA grant is open to any boy or girl who studies the Arts, up until the age of 25. Applications for this scholarship are available from Ms Bradley and are to be handed back to Mrs McNally by September 4. Applications

...continued from page 2 ...

must be supported by a written document and Ms Bradley is happy to help with the writing of these.

Your Health Link National Photographic Competition

Photographers of all abilities are encouraged to enter the Your Health Link National Photographic Competition, which opened on August 19.

The prestigious competition is run by the Mid North Coast Local Health District, as part of the Your Health Link initiative, a strategy aimed at enhancing community understanding of health and health care information, and how people can apply that information to their lives.

The competition offers a host of prizes in the categories of Mobile Photography, Open, Primary and High School and includes prizes to support healthy school canteen programs.

More information can be obtained from Ms Bradley

Skoolbag instructions

Hay War Memorial High School uses the Skoolbag App to help us communicate more effectively with our Parent/Student community and has proved to be a popular way to obtain school information including assessment tasks and notes issued to students.

How to install Skoolbag on your smartphone:

For iPhone and iPad users:

1. Click the "App Store" icon on your Apple device.
2. Type your school name in to search, using the words **Hay Skoolbag** will help.
3. If iPhone, you will see your school appear, click "Free" then "install".
4. If iPad, change the drop list to "iPhone Apps", your school will then be visible, click "Free" then "install".
5. When installed click "Open"
6. Select "OK" to receive push notifications, when asked.
7. Click the "More" button on the bottom right of the App, then "Setup".
8. Toggle on the Push Categories that are applicable for you. e.g. Year 8 toggle 'On', all other years 'Off' Newsletters and information notices will always be 'pushed' to all users.

For Android users:

You must first have signed up with a Google Account before installing the app.

1. Click the "Play Store" button on your Android Device
2. Click the magnifying glass icon at the top and type in your school name, using suburb name will help.
3. Click the school name when it appears in the search.
4. Click the "Install" button.
5. Click "Accept" for various permissions (please note, we do not modify any of your personal data on your device).
6. Click "Open" when installed.
7. Click the "More" button on the bottom right of the App, then "Setup".
8. Toggle on the Push Categories that are applicable for you. e.g. Year 8 toggle 'On', all other years 'Off'

Newsletters and information notices will always be 'pushed' to all users.

Careers with Ms McNally

Ben Caughey @ Taronga Zoo

In Week 5 Benjamin Caughey completed work experience at Taronga Zoo in Sydney. He had applied in Term 4 last year and was informed that he was successful at the beginning 2019. Benjamin was in the bird section of the zoo, he got to clean out the aviaries, make up food mixes that varied depending upon the bird species. It included cutting up dead mice and chicken pieces for the birds of prey, cleaning dishes and helping at the bird show. He found the cassowaries the most interesting bird to feed. Benjamin had a great experience and would recommend it to any student interested in animals.

Auscott Scholarship

Year 12 students intending to continue their education at university next year are reminded that applications for the Auscott Scholarship close on Friday 20 September. Applications need to be taken to the office at the gin. The Auscott Scholarship is giving to one Year 12 student each year. They receive money from Auscott for each year they attend university. Currently the recipient receives \$11,500 each year from Auscott.

NSW Police Force Application - Minimum Entry Requirement - University Certificate in Workforce Essentials

If you are considering a policing career with the NSW Police Force, one of the first steps will be completing a foundation level program called the University Certificate in Workforce Essentials (UCWE). The UCWE replaces the previous minimum academic requirement and is a mandatory requirement for all future NSW Police Force applicants. The NSW Police Force wants to prepare recruits for the challenges of the Constable Education Program/ Associate Degree in Policing Practice and to succeed in their chosen career. The Learning Modules were designed by the NSW Police Force and provide enrolled students with common foundational learning linked to qualities we highly value. Successful students will be awarded a University Certificate which contributes to the NSW Police Force recruitment selection ranking score. [Read more about ranking scores.](#) The UCWE is now available for enrolments with Charles Sturt University and access to apply can be done from here: https://www.police.nsw.gov.au/recruitment/university_certificate_in_workforce_essentials

NSW Police Application Process

Once you have successfully completed the University Certificate in Workforce Essentials (UCWE) you may be eligible to submit an application to the NSW Police Force. Once received, your police application will be allocated to a Recruitment case officer who will get to work processing your application.

1. Background Checks

Upon receipt of your police application your recruitment case officer will conduct a number of background checks including detailed background vetting, employment checks and a more thorough investigation of your history.

2. Physical & Medical Assessment

As a police recruit applicant you will be required to undertake a number of physical tests to determine your ability to perform the physical demands inherent to operational policing. You will also be invited to attend a full medical assessment including a complete medical history. The assessment will be conducted by an external provider and will assess your medical fitness to perform the inherent role and functions of an operational police officer.

3. Interview

The final stage of the recruitment process is a formal face to face interview. The interview will be conducted by a three (3) member panel and will provide an opportunity for the NSW Police Force to assess you against a number of core qualities. The interviews will be conducted at a number of metropolitan and regional locations.

4. Ranking & the Eligibility Pool

Successfully completing all requirements of the recruitment process will see you progress onto the eligibility list to await an offer for placement into the Associate Degree in Policing Practice. https://www.police.nsw.gov.au/recruitment/application_process/eligibility_pool

For more information go to the Police Recruitment Home Page <https://www.police.nsw.gov.au/recruitment/home>

Careers news continued

Year 9 and 10, 2020 elective choices

Students should have handed into the front office their choices for electives for next year. If your child has not returned their form please get them to do so immediately. A parent or carer should have signed the form.

Year 10 work experience

This coming Thursday all Year 10 students will be attending seminar lessons on work experience. This is in preparation for Week 4, Term 4 when all Year 10 students must do work experience. Students are able to do an additional week of work experience in Week 3. In Week 5, Term 3 Year 10 students are involved in preparation activities for senior school in some of their lessons.

Common job interview questions

Job interviews are nerve-racking at the best of times. You've got to look good, smell nice, smile and, most importantly, be able to convince your potential employer that you're good enough for the job. It isn't easy but it's a necessary skill. You'll definitely have to do a job interview at *some* point.

So how do you nail it? Well, let's go through some common interview questions and how to answer them.

<https://year13.com.au/articles/your-next-job-interview>

Sign and graphics careers and job opportunities

The graphic design and sign manufacturing industry, also includes the router, engraving, laser and fabrication industries, and is without a doubt one of the largest manufacturing sectors in Australia. The industry has over 7,600 businesses.
