Hay High Ten – Sarah makes history

For the first time ever, the Hay High Ten's overall winner is a female. Congratulations to Sarah Houston who improved her 2018 time by two and a half minutes, to win the 2019 Hay High Ten .

The rejuvenated Hay High Ten was a great success with lots of colour, fun and participation. Students were able to choose whether or not to be competitive or run for fun. The weather conditions were perfect and it was great to see all students engaging in the event and enjoying the afternoon.

Congratulations to Delilah Crighton who was first student over the line in a time of 45.32 (four minutes faster than 2018) and Jensen Hargreaves was the first male with a time of 45.52. It was also pleasing to have three Year 6 students

Tennis news

Jensen Hargreaves at CHS Tennis State Final.

This week Jensen is in Wollongong playing tennis as a member of the Riverina CHS team at the CHS Boys Tennis State Final. There are teams from each of the NSW CHS sport regions playing. This is an opens team, and Jensen is number two seed, which is a commendable effort for a Year 7 student. Jensen played in the selection trials in Wagga last term. He won all his games at these trials.

School Council

Recently, a nomination process occurred for a Hay War Memorial High School teacher to join the HWMHS School Council to represent its teaching staff. Mr Hefer was the successful teacher for this position and I congratulate him on behalf of the School Council. Mr Hefer will be replacing Mr Caughey at the next Annual General Meeting on Monday 9 September. Mr Caughey has been a member of the School Council for the previous four years and I thank him for his contributions and his ongoing commitment to the school.

Staff appointment

Mr Hefer has also been recently appointed as a permanent teacher to the school. He fills the teaching position which Mrs Porter once held in the science faculty. I thank Mr Hefer for his ongoing and dynamic commitment to the education of the students at the school and to his wider commitment in science,

technology, engineering and mathematics (STEM) for the "Beyond the Bell" after school program held every Thursday from 3:15pm during the school term.

RUOK? Day

Thursday 12 September.

Students and staff are encouraged to wear some yellow and black clothing on this day at school.

The Hay War Memorial High School P & C will be providing a barbeque lunch for students and staff to acknowledge this day and remind everyone to ask RUOK?

Thank you

Careers with Ms McNally

Year 10 work experience

Year 10 students last week and continuing this week are participating in work experience preparation lessons. These lessons not only provide the necessary paper work but outline what they can and cannot do, why they are **NOT** paid, reasons for work experience, dealing with bullying in the work place and understanding privacy and confidentiality. Much of the knowledge and skills gained apply to the work place and will assist students who currently have casual work, and for all, when they are in the work force. All Year 10 students will undertake work experience in Week 4, Term 4 and they may also undertake an additional week in Week 3, Term 4.

Collier and Miller

This long established Griffith company is recruiting now for apprentices, trainees and cadets for next year. They are seeking a junior administration assistant (traineeship), fitting and machining, welding and fabrication and sheet metal apprentices, and mechanical drafting cadetship. Students need to see Ms McNally for more information or look on Collier and Millers website. She is also happy to assist students apply for these positions.

Deferring A Uni Course - What you need to do.

Deferment is when your institution gives you permission to delay starting your course. Deferment is for a fixed period, usually six months or one year.

All deferments are granted, subject to the course being offered the following semester or following year. Some institutions will only let you defer in special circumstances.

...continued from page 2 ...

How do I defer an offer - When you receive an offer to enrol in a course, information included with your offer will explain how to apply for deferment. You may have to accept the offer before you can defer.

Most institutions will ask you to provide a statement to explain why you wish to defer and what you'll be doing during this period. Once your deferment has been granted, you'll receive written confirmation of your deferment from the institution concerned. This will also give instructions on how to take up your deferred course.

If, at the end of the deferment period, you decide you'd like to be considered for other courses, you can complete a new UAC application and include these course preferences. If you receive an offer to one of the new courses, you can then decide whether to accept the offer or take up your deferred course.

Can my offer lapse? - Yes. If you undertake degree studies or certain levels of TAFE study other than NSW HSC courses during your deferment period, your offer at many institutions will lapse. You'll need to re-apply through UAC and declare all of your studies. Check with each institution for specific policies.

Debating with Mrs Gardam

Our girls are Riverina finalists.

Riverina semi-final of Stage 5 Premier's Debating

Our Stage 5 team, Hannah Shea, Delilah Crighton, Olivia Joyce and Emma Jones met Wagga HS via video conference last Friday to debate "that the sale of meat should be banned" in the semi-final of the Riverina competition. Hay lost the toss and took the negative in this debate, which was adjudicated from Sydney by an Arts Unit adjudicator.

In a well-structured, very convincing argument which was passionately presented by all speakers, Hay convinced the adjudicator to award them the debate. This makes them one of the best two teams in the Riverina. The Riverina final will be their next challenge.

Premier's Challenge Debating Stage 4

Last Thursday the two Hay War Memorial High School Stage 4 teams hosted the two Murrumbidgee Regional High School teams from Griffith in a full day of intense debating.

All students were focussed and committed to the demands of a day in which they prepared for and presented two different debates. Our Year 8 team had a wonderful win against the Murrumbidgee A team in the afternoon with an impressively structured argument for the topic "that police on the street should not be able to carry guns". The Year 8 team included Oliver Gaston, Ayesha Headon, Lainey Biggs and Darci Masters.

The Year 7 students debating were Mackenzie Dawson, Lucy Shea, Devlin Clarke, Ella Jackson and Roree Moorhouse.

The articulate and eloquent Murrumbidgee students were successful in the other three debates exploring "banning social media for people under 18", "public transport being made free" and "banning the sale of tobacco in Australia".

We are very grateful to Mrs Markeeta Gibson and Mrs Fleur Cullenward who support our debating program and students by agreeing to adjudicate our debates and who both fitted adjudicating into their busy schedules last week.

This now concludes the zone rounds of our Premier's debating competition for Stage 4.
