Scholarships to Support Student Studies

Young people in out-of-home care or living in social housing can now apply for a \$1,000 scholarship to help cover their educational and training costs in their final years of high school.

Scholarships are available to students in Year 10, 11 and 12 at a NSW high school or TAFE equivalent. They are open to young people completing a school-based apprenticeship or traineeship, or studying a VET subject at school in 2021.

To be eligible, students must either be a social housing tenant, a social housing applicant, be living in crisis accommodation, or be living in out-of-home care.

Applications close 19 February 2021, with successful students to be announced in Term 2. For more information, visit <https://www.facs.nsw.gov.au/families/support-programs/all-families/dcj-scholarships>.

First aid course

All students in Years 10, 11 and 12 have the opportunity to complete a first aid course which would normally cost \$175 for only \$20. The cost is reduced due to the generous support of the Hay Health Committee and School-to-Work funding. Students were required to have the note returned and money paid by last Friday. If you would like your child to complete this course, please return the note and money this week.

Year 10 work experience

Congratulations to the majority of Year 10 students who have completed their work experience forms and returned them to school. There are still a number of students who need to organise their work experience.

Year 10 students are undertaking work experience in week 4 (2-6 November) and some also completing it in week 3 (26-30 October).

Medicare number - update

Could parent/carers please fill in the following and return to the front office so that your child's information can be updated on the system.

Student surname: _____ First name: _____

Medicare number: _____

Approaches to prevent any spreading of COVID-19 has meant that parents/carers and other non-essential visitors should not be on the school site.
