Duke of Edinburgh 2021

Congratulations to Hannah Shea and Joseph Wilson who received their Bronze Award for the Duke of Edinburgh program.

This is an excellent achievement as it takes some commitment and perseverance to complete all aspects of the award. Joseph and Hannah completed the requirements of the Silver Exploration earlier in the year.

The Award is a leading structured youth development program, empowering young Australians aged 14-24 to explore their full potential and find their purpose, passion and place in the world, regardless of their location or circumstance.

To achieve an Award, each young person must learn a skill, improve their physical well being, volunteer in their community and experience a team adventure in a new environment. All participants are supported by a network of adult leaders, assessors and supervisors.

Sentral for Parents app

To receive the most up to date information from HWMHS, we encourage parents/carers of enrolled students to download the free Sentral for Parents app to your mobile phone or device.

HWMHS uses the Sentral Parent Portal to communicate messages and important information to our school community. Through the app, parents are also able to notify the school regarding student absences, and exchange messages directly with their child's subject teachers. Assessment tasks, school documents and calendar events are available for viewing, as well as our weekly newsletter.

Please contact our Sentral for Parents administrator, Rhonda Slattery at rhonda.slattery@det.nsw.edu.au to receive your letter of instruction and unique access key.
